ESSO Advanced Course on Oncoplastic Breast Surgery

12-14 June

2014

BUDAPEST (HG)

ESSO Advanced Course on Oncoplastic Breast Surgery

Course directors

Tibor Kovacs, *Guy's and St. Thomas' NHS Foundation Trust, London, UK*

Isabel T. Rubio, *Hospital Universitario Vall d'Hebron Barcelona, SP*

Invited Speakers

Werner Audretsch, *Marien Hospital Cancer Center – MHDCC, Düsseldorf, DE*

Michael Douek, *Guy's and St. Thomas' NHS Foundation Trust, London, UK*

Antonio Güemes, *Hospital Clínico Universitario Lozano Blesa, Zaragoza, SP*

Gusztav Gulyas, *National Institute of Oncology, Budapest, HU*

Marjut Leidenius, *Helsinki University Central Hospital, Helsinki, FI*

Fiona MacNeill, *The Royal Marsden, London, UK*

Zoltán Mátrai, *National Institute of Oncology, Budapest, HU*

Sarah Pinder, *Guy's Hospital, London, UK*

Philip Poortmans, *Dr. Bernard Verbeeten Instituut, Tilburg, NL*,

Lynda Wyld, *Sheffield University, Sheffield, UK*

Aim of the Course

With an international faculty of well known experts in the field the ESSO Advanced Course on Oncoplastic Breast Surgery will explore in depth the novel oncoplastic approach to breast cancer surgery where plastic surgical techniques are used to improve the oncological and esthetic outcomes of breast cancer surgery.

The systematic approach will address topics from treatment planning through various oncoplastic surgical techniques, methods to improve surgical resection margins and improving patient satisfaction.

The Course will provide a practical, workshop-based approach for surgeons to achieve the best cosmetic results in breast cancer surgery without compromising cancer surgery outcomes.

Educational outcomes

- Improve knowledge of the different options in oncoplastic breast surgery techniques
- Use correctly indications and contra-indications for oncoplastic breast surgery
- Improve surgical outcomes by optimising resection margins and increasing rates of complete resections

Educational Methods

- Plenary lectures
- Workshops
- Case based discussions and treatment planning
- Oncoplastic MDT decision making tools

Ideal Course candidates

- General surgery residents with breast interest
- Residents in Breast Surgical, Surgical Oncology
- Specialist breast surgeons with traditional training
- Breast surgeons who wish to develop their oncoplastic skills
- Gynecologists with breast interest or with breast sub-specialty

Course Venue

NH Budapest City
Vígyszínház u. 3. H-1137
Budapest (Hungary)
Tel. +36.1.814 0000

Accommodation

For accommodation, please contact the course coordinator.

Participation fee

Attendance is limited to 40 participants.

The participation fee is 400 € for ESSO members and for members of the Surgical Oncology Section of the Hungarian Surgical Society. Participation fee for non-members is 550€. It includes registration to the course, breaks and lunches and a social dinner.

Application procedure

Application must include

- Complete application form available on www.essoweb.org (education/projects & courses)
- Short CV (max. 2 pages)

The complete application must be sent to ana.galan@essoweb.org.

Accreditation

Accreditation has been requested from the Accreditation Council of Oncology in Europe (ACOE).

ESSO Advanced Course on Oncoplastic Breast Surgery

Programme

Thursday 12th June

11:30-13:00	Registration
13:00-13:15	Introduction <i>T. Kovacs, I. T. Rubio</i>
13:15-13:45	Concepts and principles of oncoplastic breast surgery <i>W. Audretsch</i>
13:45-14:15	Cosmetic evaluation and outcomes in oncoplastic surgery <i>G. Gulyas, Z. Mátrai</i>
Workshops session	
14:15-15:05	WS1 - Localisation procedures of non palpable breast lesions: ROLL , SNOLL, Mag SNOLL trial <i>M. Leidenius, M. Douek</i>
15:05-15:30	Coffee Break
15:30-16:20	WS2 - Intraoperative ultrasound guided surgery <i>I.T. Rubio</i>
16:20-17:10	WS3 - Oncoplastic anatomy of the breast. Preoperative planning and marking <i>L.Wyld, A. Güemes</i>
20:00	Social dinner

Friday 13th June

08:30-09:30 Radiotherapy and oncoplastic breast surgery
W. Audretsch, Ph. Poortmans

Workshops session

09:30-10:20 WS1 - Central quadrant techniques
T. Kovacs

10:20-10:45 Coffee break

10:45-11:35 WS2 - Superior pedicle techniques
A. Güemes

11:35-12:25 WS3 - Inferior pedicle techniques
F. MacNeill

12:25-13:30 Lunch

13:30-14:15 Surgical and pathological assessment of oncosurgical margins
S. Pinder, I. T. Rubio

Workshops session

14:15-15:05 WS1 - SSM and simple mastectomy. Indications, techniques, outcomes
M. Douek, L. Wyld

15:05-15:30 Coffee break

15:30-16:20 WS2 - Nipple sparing mastectomy. Indications, techniques, outcomes.
I. T. Rubio

16:20-17:10 WS3 - ADM vs dermal sling based immediate reconstruction
T. Kovacs

20:00 Faculty dinner

Saturday 14th June

08:30-09:15

Implant vs flap based reconstructions: when and why?
F. MacNeill

09:15-10:00

Post-mastectomy radiotherapy on reconstructed breast
Ph. Poortmans

10:00-10:30

Coffee break

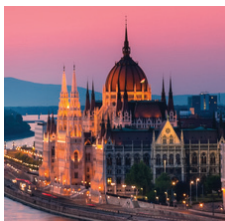

10:30- 13:30

Cases discussions: 3 groups, 3 speakers per group.
Groups rotate every hour.

- Group 1: , *T. Kovacs, F. MacNeill, I. T. Rubio*
- Group 2: *A. Güemes, Z. Mátrai, L. Wyld*
- Group 3: *G. Gulyas, M. Leidenius, M. Douek*

13:30

Conclusions and end of the course
